

54TH MID-ATLANTIC QUALITY ASSURANCE WORKSHOP

FEBRUARY 22ND-23RD, 2022

Quality: The only shore bet

Please join New Jersey DOT in attending the 54th Annual Mid-Atlantic QAW on February 22-23, 2022. The QAW is comprised of State DOTs from Virginia, Washington, DC, Maryland, West Virginia, Pennsylvania, New Jersey, Delaware, The Federal Highway Administration and Industry Representatives. Registration information can be found on the website at www.midatlanticqaw.com. The theme for the 2022 workshop is "Quality: The Only Shore Bet". The mission of the Mid-Atlantic Quality Assurance Workshop is to promote, adopt and emphasize new transportation technologies and the implementation of proactive policies, practices, and procedures that ensure life-cycle expectations of the transportation infrastructure at minimum overall cost. This workshop will offer a wide range of informational sessions on the latest technologies and practices to support this mission.
