

Asphalt 101 - Training Year Winter 2025

Asphalt Plant Technician Training Course (Level 1)

Thomas Bennert, Ph.D., Supervisor of the Rutgers Asphalt Pavement Laboratory, will be presenting the above course in Winter 2025 for HMA suppliers, testing laboratories, contractors, pavement consultants and other interested individuals. This course will prepare you to satisfy the educational requirements for New Jersey Society Asphalt Technologist (NJSAT) Level 1 Certification Program. The class will comprise of both classroom and laboratory activities.

WHERE: Rutgers University Asphalt Pavement Laboratory, New Brunswick, NJ

WHEN: January 20, 21, 22, 23, and 24; 27th (Exam)

TIME: 9:00am to 4:30pm

FEE: \$1,700.00 for the training course. Fee includes: course note book, NJSAT Level 1 certification fee and examination. A portion of the fee will be forwarded to the NJSAT to pay for certification and five years of NJSAT annual dues.

Note: Must have at least 1 year experience working in asphalt-related position. Experience form attached **MUST** be submitted with registration.

Inquiries: Thomas Bennert at bennert@soe.rutgers.edu or call at 609-213-3312

**ASPHALT PLANT TECHNICIAN TRAINING COURSE LEVEL 1
COURSE SCHEDULE**

January 20, 2025

**Asphalt Binders – Mixing and Compaction Temperatures - Classroom
Aggregates – Desired Properties - Classroom
Sampling of Stockpiles (AASHTO T2) and Reducing to Sample Size (AASHTO
R76) – Classroom and Lab
Gradation Analysis – AASHTO T11, T27, T30 and T37 – Classroom and Lab**

January 21, 2025

**Batch Plant and Drum Plant Operations - Classroom
Aggregate Blending (Stockpiles and Hot Bins) - Classroom
Prepare Aggregate Blend for Mixture Design - Classroom
Batching for Mix Design Specimens – Lab**

January 22, 2025

**Review of Volumetric Properties and Analysis – Classroom
Recycled Asphalt Pavement (RAP) - Classroom
Preparation of Mix Specimens - Lab
Densities – Bulk Gravity & Maximum Specific Gravity – Classroom and Lab
Ignition Oven Testing for Binder Content and Composition – Classroom and Lab
Conduct Class Mixture Design – Lab**

January 23, 2025

**Complete Class Mixture Design - Lab
Volumetrics and Stability & Flow – Classroom and Lab
Complete Mix Design Work Sheets - Classroom
Analysis of Data (“Does this make sense?”) - Classroom
AASHTO Precision and Bias Statements – Classroom**

January 24, 2025

**Review NJDOT HMA (Hot Mix Asphalt) Specifications
Review Superpave Procedures and Requirements
Introduction Into Performance Testing - Lab
Course/Examination Review**

January 27, 2025

NJSAT Certification Examination (Level 1)

Attachment #4

New Jersey Society of Asphalt Technologists Experience Application

Prior to taking either the HMA Construction Technologist or HMA Plant Technologist Level 1 courses, an applicant must have a minimum of one year experience in asphalt pavement construction or other related projects, i.e., testing laboratory, field inspection, etc.

Please Indicate: HMA Construction Technologist HMA Plant Technologist Level 1

Starting with your present position, please list your experience. You may attach a resume.
